

# snow collagen

PURE RADIANCE

## PLUMP. HYDRATE. STRENGTHEN. FROM THE INSIDE OUT.

**Nueva Snow Collagen** is a clean, clinical-grade daily ritual formulated to support radiant skin, joint mobility, hormonal balance, and the gut-skin connection—without sugar, caffeine, or synthetic fillers.

Each scoop delivers **2.5g of hydrolyzed Type II collagen**, clinically proven to support joint flexibility and the structural integrity of collagen.

**Tremella mushroom extract**, a natural hydrator often referred to as nature's hyaluronic acid, helps improve moisture retention and smoothness of the skin.

The formula includes **acerola cherry extract**, a whole-food source of vitamin C, along with **ascorbic acid** to support collagen synthesis and protect against oxidative stress.

**Myo-inositol** adds functional support for hydration balance and hormonal steadiness, while **bamboo silica** reinforces the skin's collagen matrix and contributes to stronger nails and hair.

A **prebiotic botanical blend**—featuring **chicory root, hibiscus, and lemon balm**—helps nourish the microbiome and supports the skin-gut axis for resilient beauty from within.

With these purpose-driven ingredients and no excess fillers, this premium powder is a smart, modern wellness companion—designed to fit effortlessly into your **AM or PM routine**.

### Key Benefits

#### 🦴 Joint Flexibility + Connective Tissue Support

Clinically dosed Type II collagen supports joint comfort, cartilage health, and mobility in as little as 4 weeks.

#### 💧 Skin Hydration + Elasticity

Tremella mushroom enhances moisture retention and promotes a hydrated, supple appearance—often in just 28 days

#### 🧠 Hormonal Balance + Hydration Signaling

Myo-inositol supports hormonal steadiness, hydration pathways, and mood balance—especially beneficial during periods of hormonal fluctuation.

#### 🌿 Skin-Gut Axis + Microbiome Support

Prebiotic botanicals like chicory and hibiscus nourish beneficial gut bacteria and help promote clearer, more resilient skin.\*

#### 🍒 Collagen Synthesis + Antioxidant Protection

Acerola cherry and ascorbic acid deliver natural vitamin C to support collagen production and defend against oxidative stress.

#### 🔪 Barrier Integrity + Nail & Hair Strength

Bamboo silica reinforces skin structure, strengthens the gut lining, and contributes to healthy hair and nails.

### How to Take

Mix 1 scoop with **8–16 oz of water or your favorite drink**—hot or cold. Enjoy daily, morning or night, for best results.
